

## Adventist Retirement Facilities and Nursing Homes

The following list of Adventist owned or operated facilities was compiled in 1993. Although an effort was made to obtain a complete list, there are probably a number of omissions, as well as additions. No effort was made to determine quality and costs. Facilities owned and operated by the Adventist Healthcare System can be found in Chapter 17. If you have information on other facilities that should be included, please send information to the NAD Adventist Health Ministries Department.
